

# Autumn Term First Half 2025 - EYFS

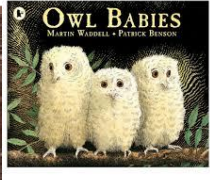

## English

In English we will begin RWInc sessions. We will learn single letter sounds and how to blend them into simple words. Once we have learnt enough sounds we will bring home our read at home books.

During story time we will enjoy *'Owl Babies, The Bear and the Piano'* and other stories.

We are reading...

## ClassDoJo

We use ClassDojo to communicate what is happening within the Classroom and for our rewards system. The children are all working really hard to achieve their goals and reach 100!

## Maths

Our term starts with matching, sorting and comparing. We will match and sort objects according to size, shape and colour. Towards the end of the half-term we will compare size, mass and capacity.

## Computing

In Computing we will complete a unit of work entitled 'Computer Discovery'. The children will learn about the different parts of a computer and what they are called. They will learn a song to help them remember what the different computer parts do.

## Science

Our first science unit begins with exploring the features of animals including humans. We will explore different parts of the body and their function.

## PSHE

We start the year with the unit, "Meet your brain". We will begin by talking about what our brains look like and what they help us with. Then we will look at how we can look after our brains, before we go onto explore how we can help it grow. As part of this we will learn our 'Happy breathing' technique and explore what the three different parts of our brain are and how they work together.

## Languages

The children will explore greetings in a variety of languages throughout the term. They will answer the register using simple phrases from around the world.

## Music

We will start with the unit 'Chant to the animals', where the children will learn two chants. By learning these chants, the children will start to understand that there are different ways to use our voice in music and that chants use the spoken voice

Autumn 1<sup>st</sup> Half:

PE

PE will be on Wednesday and Friday, please send your child to school wearing their PE kit on these days.

## RE

We start the year with the unit, "Special People." We will be learning about people who are important to us. We will explore what it means to be a role model and learn about how Jesus is a role model for Christians.

## Geography

We start the year with the unit, 'Exploring maps', where we look at different types of maps and talk about how we can identify the features on them- such as land and water. We move onto being able to describe what we can see, hear and feel outside, and talk about how some environments are different from the one where we live.

## Art

The class will be exploring mark marking and drawing. They will use a range of tools including Chalks, wax Crayons and paint. We will complete portraits in colour towards the end of the unit.
